  Moose Brook Preserve   
 ★ Points of Interest

**Moose Brook Preserve**  
**Off Prouty Rd. in Hardwick**  
**1.15 miles down Brook Rd.**  
**125 Acres**

The Moose Brook Preserve lies at the heart of the Moose Brook Valley, a region of great ecological significance due to its high density of breeding Neotropical bird species. The Moose Brook Preserve hosts a wide suite of forest breeding birds and offers excellent bird-watching opportunities.
